HOSAM SAMIR

**Want to speak English ?!**

□ You've heard it said

**“ English is a work in progress, Have fun with it “**

And here's my question ..

“ Are you having fun while learning ? “

**OR**

“ Are you just having fun ? “

□ If your answer is “ **Yes** ” .. and If your answer is a big “ **No** ”

Maybe you're on the right track .. Maybe not

Don't be panic and listen to what people say

Actually, people disagree about how you should learn and speak English.

## Each one has his own perspective.

- One thinks the best way **is** to have a solid grammar base.
- One thinks the best way **is** to memorize vocabs as much as you can.
- One thinks the best way **is** to understand the culture of the people who speak the language.

And so on ...

❑ Simply .. Do you want to be “ a fluent speaker ? “

❑ Fluency has to do with “ **communicating** “

Not “ **perfection** “

**So** .. take a deep breath and relax
